Style

- Blending international rhythms and languages showcases her ability to cross musical boundaries while remaining within the jazz idiom
- Refreshing take on arrangements breathes new life into jazz and pop song classics, in a style that’s all her own
- Vocals run the gamut from being hauntingly reminiscent of Peggy Lee, to swinging a la Ella
- Block chord piano/vocal improvisations set her apart in today’s jazz world
- Performs a variety of shows ranging from Pops Symphony Orchestras to intimate cabaret settings
